

**The Cochrane Temiskaming
Children's Treatment Centre
is accepting applications for
Recreation Therapist**

(2 year contract position – 37.5 hours per week)

The Cochrane Temiskaming Children's Treatment Centre offers services to children with motor and sensory challenges in the Districts of Cochrane and Temiskaming. The Centre is based in Timmins, Ontario.

The successful candidate will be part of a multi-disciplinary team consisting of Occupational Therapists, Physiotherapists, Speech Language Pathologists, Social Worker and Therapy Assistants.

The Recreation Therapist will work with children, youths and their families to provide recreation assessments and develop leisure/recreation plans for children/youth in Timmins and in the Centre's rural catchment area. He/she will develop and lead recreational groups at the Centre as well as facilitate integration of children and youths into community programs. He/she will advocate for the establishment of community-based accessible recreation programs.

Qualifications

- Diploma in Recreation with Post Diploma in Recreation for Special Populations/Therapeutic Recreation Program
or Baccalaureate Degree in Recreation with an emphasis in Therapeutic Recreation
- Experience with working with children/youth with disabilities
- Ability to provide services in both French and English is essential
- Candidates must have a valid Driver's License and be a member of their Professional College
- Working hours will be flexible in order to accommodate specific recreation programs

Salary

- \$24.00 - \$26.00 per hour to start dependent on education and related experience
